NO. 0900786

PATRICK AND LYNDA MICHAELSKI § IN THE DISTRICT COURT OF

VS. § GALVESTON COUNTY, TEXAS

JOHN AND PEGGY WRIGHT S 122 JUDICIAL DISTRICT

PLAINTIFFS' ORIGINAL PETITION AND APPLICATION FOR TEMPORARY INJUNCTION ORDER

TO THE HONORABLE COURT:

COME NOW PATRICK and LYNDA MICHAELSKI, hereinafter called Plaintiffs, complaining of JOHN and PEGGY WRIGHT, hereinafter referred to as Defendants, and for cause of action would respectfully show unto the Court and Jury as follows:

I. Discovery-Control Plan

This case seeks damages of more than \$50,000 and pursuant to Rule 190.1 Tex.R.Civ.P., discovery will be conducted under Level 2.

II. Parties

Plaintiffs are resident citizens of Clear Lake Shores, Galveston County, Texas.

The Defendants, JOHN and PEGGY WRIGHT, are resident citizens Clear Lake Shores, Galveston County, Texas, and may be served with citation at 2391 Marina View Way, League City, Texas, Texas 77573.

III. Venue

Venue is proper in Galveston County, Texas.

IV. Facts

Some months ago, Defendants began the construction of a home at 111 Pine Street, directly behind and adjacent to Plaintiffs' home located at 1019 North Shore Drive, Clear Lake Shores,

Galveston County, Texas. The Defendants raised the level of their lots so that the top of the bottom floor of their home being constructed was 8.2 feet, which is 1.57 feet higher than the top of the bottom floor of Plaintiffs' home. This difference in heights has caused a severe adverse flooding impact to Plaintiffs' property and is in violation of the Drainage Requirements of the City of Clear Lake Shores, Texas, as well as the Common Law of the State of The Defendants have failed to provide drainage facilities on and along the common property line with the Plaintiffs that would capture drainage now flowing unabated from Defendants' elevated lots onto Plaintiffs' property and redirect such drainage Because of Defendants' water away from Plaintiffs' property. failure to install and utilize adequate drainage facilities, the Plaintiffs' home has been flooded and severely damaged on two (2) recent occasions, April 18 and April 24, 2009, by rain water flowing from and off Defendants' elevated lots and onto and into Plaintiffs' property.

V.

The two recent floodings of Plaintiffs' property, caused by Defendants' diversion of water from their property onto Plaintiffs' property, has caused Plaintiffs to suffer monetary damages, yet to be calculated, but far in excess of the jurisdictional limits of this Court.

VI.

Plaintiffs ask the Court to set their application for a temporary injunction for a hearing and, after the hearing, issue a temporary injunction against Defendants, requiring them to construct and maintain adequate drainage facilities on their property so as to eliminate the drainage problems Defendants have created that have so adversely impacted and damaged Plaintiffs' property. Without an injunction as herein requested, Plaintiff will suffer irreparable injury to their real and personal property, irrespective of their remedy at law. Further, the Plaintiffs are entitled to an injunction under the principles of equity and the statutes and ordinances of the State of Texas and the City of Clear Lake Shores. Tex.Civ.Prac.&Rem. Code \$ 65.011(1)(3)(5).

VII.

Because Defendants have wrongfully diverted water from their property as above alleged, that has invaded and flooded onto and into Plaintiffs' property, it is probable that Plaintiff will recover damages to their property, both real and personal, from Defendants on final hearing.

VIII.

Without the relief sought hereby and herein being granted,
Plaintiffs would show that their property is and will be exposed to
future flooding that will cause them irreparable injury and harm to
their real and personal property.

IX.

Plaintiffs are willing and able to post bond.

Χ.

Plaintiffs ask the Court to set this case for trial on the merits and, after trial, issue a permanent injunction against Defendants, enjoining them to construct and maintain adequate drainage facilities on their property so as to eliminate the drainage problems Defendants have created that have damaged Plaintiffs and that Plaintiffs be awarded their damages against Defendants.

PRAYER

For these reasons, Plaintiffs ask that Defendants be cited to appear and answer and, on trial, that Plaintiffs be awarded a judgment against Defendants for the following:

- a. Temporary injunction.
- b. Permanent injunction.
- c. Actual damages.
- d. Prejudgment and postjudgment interest.
- e. Court costs.
- f. All other relief to which Plaintiffs are entitled.

PLAINTIFFS DEMAND TRIAL BY JURY

Respectfully submitted,

LAW OFFICE OF RICHARD MORRISON, P.C.
